4. **VISITING LOCATION:** Regular visits will be conducted in the visiting rooms, located at the FPC and FCI. All inmates are responsible for notifying their approved visitors of the visiting regulations (see Attachment A) and forwarding the appropriate forms to their visitors (BP-Forms 224 and 311). Inmates will be provided with visiting regulations upon their arrival at the institution (see Attachments A and B).
5. **VISITING HOURS:** Social visits at the FCI and FPC are conducted Friday from 5:00 p.m. to 8:00 p.m. and Saturday, Sunday, and federal holidays from 8:00 a.m. to 3:00 p.m.

Visitors to the FCI and FPC will not be processed in after 7:00 p.m. on Friday evenings. No visitors will be processed into the visiting room at the FCI and FPC during the 10:00 a.m. count on Saturday, Sunday and federal holidays. FCI and FPC visitor traffic will be stopped at the Front Gate of the complex at 9:30 a.m. No more visitors will be allowed to access the complex until the 10:00 a.m. count has cleared. This is to ensure all out counts and required documentation are in the control room prior to the count being announced. There will be no inmate movement during the

count. No visitors will be allowed into the Administration Building prior to the above scheduled times unless authorized by the Warden.

6. **INSTITUTION ENTRANCE PROCEDURE:** The Visiting Room Officers have the responsibility of maintaining institution security by ensuring that proper entrance and screening procedures are practiced and followed at all times by all staff involved. All visiting traffic will enter and leave the institution through the Front Entrance. Visitors should be limited to the authorized amount of visitors and the maximum number of visitors allowed, (five not including minor children) not the total capacity of the room. The Visiting Room Officers must be alert for the attempted departure of inmates with visitors.
7. **IDENTIFICATION OF VISITORS:** Satisfactory identification of adult visitors, 16 years and older, must precede visits. All visitor's 16 years of age and older must produce some form of identification. This will ordinarily be accomplished by picture identification, such as current driver's license, passport, or state identification card. An expired ID is not considered valid. Visitors will not be permitted in without proper identification. The IDO and the Operations Lieutenant will be notified in questionable cases. Proposed visitors who are under the age of 16 years of age and not accompanied by a parent, legal guardian or immediate family member at least 16 years of age must have the written approval of a parent, legal guardian or immediate family member at least 16 years of age prior to visitation. All visitors over 16 years of age must produce some form of identification (social security card, birth certificate, or Visa). Additionally, visitors are prohibited from bringing animals on institutional grounds unless the animal is a dog that assists disabled persons.

Verification that the inmate is at this facility shall be made by reviewing the inmate roster provided daily by the Control Center Officer. Verification will subsequently be made that the visitor is on the inmate's approved visiting list.

8. **VISITING RESTRICTIONS AND OVERCROWDING:** Visiting may be curtailed or terminated at the FCI or FPC for emergency situations, improper conduct on the part of the inmate or his visitor(s), or when the visiting area reaches maximum capacity, 140 for the FCI and 118 for the FPC. Should the visiting room reach full capacity, the Visiting Room Officer will advise the Operations Lieutenant and the Institution Duty Officer (IDO) of the situation.

The IDO will have the authority to curtail or terminate visits. Should it become necessary to curtail visits due to overcrowding, a maximum two hour visit will be implemented. The IDO will begin curtailing visits of those who live in Fremont County, and continue with other visitors from Colorado, and those close to Colorado, prior to curtailing visits for visitors from other areas. If the condition continues, and termination of visits becomes necessary, those who visit most frequently will have their visit terminated first.

The Operations Lieutenant has the option of opening the outside patio area at the Camp for visiting at his/her discretion.

Inmates housed in the Special Housing Unit (SHU): Inmates housed in SHU for Administrative Detention will be permitted to attend social visiting on the same days as inmates in general population. Visits will be for a four hour period (Saturdays, Sundays, and Federal Holidays), and will take place during normal visiting hours. Fridays will be available for the visiting period, (three hours). Inmates housed in Disciplinary Segregation status will be allowed to visit for a two hour period, when the visiting room is open. **All inmate visits - FCI and FPC** - will take place in the visiting room under direct supervision. Inmates will be placed in restraints, and escorted to the visiting room from the Special Housing Unit. Inmates from the Special Housing Unit will not be escorted on the compound when it is open. Escorts will be coordinated with the Control Center when the compound is closed, and there are no other inmates in the area. Great care and consideration should be provided when an inmate with separation issues has a visit. The IDO and Operations Lieutenant will be notified and will make the final determination, on a case by case basis. **If an inmate with separation issues is allowed to visit, the allotted time will be a two hour period. At no time will inmates separated from one another be allowed to visit at the same time.**

Attorney visits for SHU inmates will be conducted in the visiting room in one of the Attorney/client rooms.

9. **NUMBER OF VISITORS:** The number of persons allowed while visiting one inmate is limited to five which includes adults. Children age fifteen and under are not counted against the inmate's five maximum visitors. This applies to both the FCI and FPC. The Visiting Room Officer will not allow more than the maximum of five visitors to visit an inmate at one time. Any exceptions must have prior approval by the Associate Warden of Programs or Camp Administrator. All others will be counted towards the maximum five visitors.

Split Visits: Should more than five visitors arrive at the same time, a split visit may be arranged at the discretion of the IDO.

A split visit is defined as a visit where one or more visitors leave the visiting room to be replaced by other authorized visitor(s). Those visitors leaving may not return to the visiting room and must depart the Complex.

10. **ATTORNEY VISITS:** Attorney visits will ordinarily take place in the attorney/client rooms in the visiting room. Attorney visits will be arranged by the Unit Team prior to the visit when the attorney is not on the inmate's approved visiting list. Attorney visits will be supervised by the unit team who arranged the visit. If all attorney/client rooms are occupied, the attorney visit may take place in the main visiting room, at the election of the attorney and the inmate. In the event that a visit occurs in the main visiting room, staff will make every effort not to overhear any of the conversation between the inmate and attorney.

It is the unit team's responsibility to submit a memorandum to the Associate Warden of Programs or Camp Administrator, if the attorney needs any special equipment such as tape recorders or video

equipment, prior to the visit. If used such equipment must be authorized in advance by the Warden in accordance with Program Statement 1315.07, Legal Activities, Inmate, dated November 5, 1999.

11. **APPROVED VISITORS:** Visits are permitted for those on the inmate's approved visiting list as authorized by the Unit Team. Only 20 visitors inclusive of immediate family, friends or associates, will be permitted on each inmate's visiting list. This limit does not include the inmate's attorney or minister of record.

It is the responsibility of the inmate to advise his visitor(s) not to visit prior to receiving notification they have been approved as visitors. Unit Team will notify the inmate when visitors are approved. It is the inmate's responsibility to notify the visitor(s) once the approval has been received.

The visitor(s) should be placed on the approved list after suitable investigation from the usual sources, i.e., pre-sentence reports, U.S. Probation Officer, local law enforcement agencies, individuals concerned, etc. Except for immediate family, visitors will not ordinarily be placed on more than one inmate's approved visiting list. Visiting is an extremely important family function, and dress code requirements are necessary to maintain the dignity of those involved. Inmates are responsible for advising their visitors of the dress requirements in the visiting room, including not wearing clothing khaki in color at the FCI and green in color at the FPC. **Visits may be denied by the Institution Staff Duty Officer or Operations Lieutenant for noncompliance.** Excessively provocative attire is reason to deny and/or preclude visiting.

- a. Each inmate having a visit must assume responsibility for proper conduct during the visit. Each inmate will be held responsible for the actions of his visitors, including the children during the visit. Children are not allowed to wander from the immediate area, run about the visiting room, or create noise that disturbs other visits.

Failure to supervise children will result in one written warning and upon a second incident, either during this visit or subsequent visits, the visit will be terminated and an incident report will be written. Incident Reports will be written for any misconduct by the inmate's visitors and children. A log entry will be maintained on all incidents. A formal written letter of notification that the visit was terminated will be forwarded by the unit team to the inmate and visitor as a follow-up.
